=====

Wilson College TIP students' enrollment in graduate courses is limited to three courses before enrolling as a M.Ed. student.

To be eligible to take a graduate course and receive graduate credit, Wilson College TIP students must have earned at least 2 or more course credits at Wilson College and have a cumulative 3.0 Grade Point Average

TIP undergraduate students taking a mix of TIP and graduate courses pay at the TIP rate and the graduate rate respectively for any combination of courses.

TIP students taking graduate courses should consult with the Financial Aid Office about policies affecting financial aid for this situation.
