Light weight, portable devices for wherever you learn

Surface Laptop Go

The **lightest laptop yet**. All-day battery life¹, or join the classroom from home with Omnisonic speakers, Studio Mics, and an HD camera. 12.4" touchscreen. Surface Laptop Go balances beauty and performance for students ready to upgrade their tech while watching their budget.

Surface Pro 7+

The **classic Pro**. The iconic Surface 2-in-1, now even faster and more versatile with USB-A & USB-C and a 12" touchscreen. Perfect for ultra-light performance and the versatility you love to keep you productive on the go. Great for students looking for the mobility of a tablet, but needing the power of a laptop. Great for note taking and every day tasks.

Surface Laptop 4

Style and speed. Stand out on HD video calls backed by Studio Mics. Capture ideas on the vibrant touchscreen. Do it all with a perfect balance of sleek design, speed, immersive audio, and significantly longer battery life than before. Great for an updated feel to the traditional laptop formfactor.

Surface Pro 8

The **most powerful pro**. Delivering unprecedented levels of performance on a 13-inch screen, Surface Pro 8 combines the power of a laptop with the flexibility of a tablet and every angle in between with the iconic Kickstand. Easily transition from taking notes to typing a paper.

Surface Laptop Studio

Incredibly Powerful, Indefinitely Flexible. Our most powerful Surface laptop for creating, editing, rendering, and gaming with seamless transitions from laptop to entertainment-ready stage to portable canvas.
