

Wilson College

154th Annual Commencement

May 3-5, 2024

CONGRATULATIONS!

Commencement is a sacred tradition in higher education. During this special May weekend, we pause to recognize your hard work, late-night study sessions, classes, papers, research, special projects, and ultimately, personal growth. We also celebrate the support of family, friends, faculty, and staff who helped you achieve your goal of earning a degree from Wilson College or completing certification through our Education Department.

Commencement is also a unique celebration of perseverance. You have navigated unexpected twists and turns to finish your degree and become Wilson alumnae and alumni. No one could have anticipated the many changes and adaptations you have overcome. In true Wilson fashion, you stayed the course, evolved, and achieved your goal. We are so very proud of you. The entire Wilson family is proud of you.

Whether you are graduating with a degree or have completed a Teacher Certification Pathway, you are the next generation of Wilson leaders. Be proud of your accomplishments. Show the world what a Wilson education can help you achieve. Today, you join the ranks of women and men who have walked these hallowed halls and gone on to do remarkable things. Embrace your creativity, critical thinking, and ability to communicate effectively, live and work honorably, and work with diverse people to add value to your community. You have been afforded much through a Wilson education, and you have the opportunity to pay it forward by giving to others. Use your knowledge and lessons learned to make the world better. As you have been encouraged, make bold choices, and aim high with your goals and aspirations.

Never forget this remarkable institution and how it helped you explore your possibilities. Remember, Wilson College will always be home. Please do come back often. There will always be a place for you here, amongst the pines and maples. Now, go change the world for good!

Our best,

Jennifer N. Banzhof, Class of 1994
Chair, Board of Trustees

Wesley R. Fugate, Ph.D.

Leader: Gracious God, you create life from the earth on which we dwell;

CR: Grant us the sacred gift of relationship with and respect for all other living beings.

Leader: Gracious God, you empower us with the knowledge and skills;

CR: To aid and support one another as we live out our days on this earth.

Leader: Gracious God, bless our gathering on this day as we recall your compassion and kindness;

CR: and celebrate the endings and beginnings of the opportunities you provide.

Leader: Gracious God, empower us all to live lives worthy of the callings you offer,

CR: that we may strengthen one another and your creation as we walk together with you through this life.

All: Amen.

DAVID P. LUCCHINO

*SENIOR VICE PRESIDENT, OPERATIONS AND OPERATIONAL RISK
FREDDIE MAC*

David Lucchino is Senior Vice President of Operations and Operational Risk for the Freddie Mac Single-Family business. He oversees Servicing Products, Securities Operations, Accounts Receivable and Operational Risk and Compliance. These departments focus on loss mitigation, investor reporting, accounts receivable, operational risk and compliance, back-office support for all mortgage-backed securities and a variety of other critical processes that support Freddie Mac as well as its origination, servicing and investor partners.

Prior to this role, Mr. Lucchino was a consultant with Freddie Mac, focusing on operations. He leveraged his industry experience to identify and implement numerous opportunities to improve efficiency, reduce credit loss, and improve the experience for Freddie Mac clients and homeowners.

Throughout his career, Mr. Lucchino has guided global organizations through significant transitions to accelerate the delivery of both corporate and customer goals. He has held senior operational roles in mortgage loan origination and servicing for JPMorgan Chase, CitiMortgage and other industry leaders.

He holds a Bachelor of Science in business and economics from Wilson College.

About Freddie Mac

Freddie Mac makes home possible for millions of families and individuals by providing mortgage capital to lenders. Since our creation by Congress in 1970, we've made housing more accessible and affordable for homebuyers and renters in communities nationwide. We are building a better housing finance system for homebuyers, renters, lenders and taxpayers. Learn more at FreddieMac.com, Twitter [@FreddieMac](https://twitter.com/FreddieMac) and Freddie Mac's blog FreddieMac.com/blog.

ELI KABABA

Graduate Speaker

Eli Kababa is a street dance artist and educator from the New York City metro area who believes hip-hop can transform lives, schools, and communities. He is versed in street and fine arts, from martial arts to break dancing with local crews.

He began working as a teaching artist when he was hired by New York City Ballet's education department where he worked for 11 years in their Nutcracker, Ballet Bridges, and Project Ballet Programs. During that time, he also co-founded and directed Garden State Dance Project, a hip-hop dance education company.

In 2015, Kababa joined the staff of The 92nd Street Y in New York (92NY), where he also worked as a facilitator for their Dance Education Laboratory. He is best known for his work with 92NY's School Engagement in the Arts that provides arts education programs for K-12 students and teachers. There, Kababa authored the "Hip-Hop to the Top" curriculum, serving over 1,000 students in New York City public schools annually pre-pandemic.

Kababa has pursued his Master of Fine Arts degree at Wilson College under the artistic guidance of street dance legend Rennie Harris. He currently works as a Part-Time Lecturer at Rutgers University's Mason Gross School of the Arts, where he teaches Street & Club Dances.

CONNOR BOWERS

Class of 2024 President

Connor Bowers, an Encompass Scholar, is a biology major with minors in chemistry and psychology. He earned a position on the Dean's List each semester of his undergraduate studies at Wilson and will be receiving honors in the discipline. Through the E. Grace White Summer Scholarship for biology research, Bowers completed an internship in the neurology department at George Washington Medical Associates. He is a native of Hagerstown, Md., and is the son of Mike and Angie Bowers. He also has one sister, Madalyn.

His Wilson leadership experience includes serving as Wilson College Government Association president for two years, vice president for one year, and senior class president. He previously served as a Student-Athlete Advisory Committee representative for two years and the social media chair for the Student Athletic Association. He has also served as a tutor and chemistry peer teacher.

As a four-year letter recipient in Men's Soccer and team captain since his sophomore year, Bowers' numerous athletic accolades include two selections to the College Sports Communicators Academic All-District Team; being named to the 2023 United East All-Sportsmanship Team; recognition as the 2023 United East Men's Soccer Senior Scholar Athlete of the Year and Wilson College 2022-2023 Male Scholar Athlete of the Year; and being presented with the 2022-2023 Phoenix Award.

Graduates wear colored cords, lapel pins, and stoles to demonstrate membership in various honor societies and prestigious organizations as well as academic and athletic accomplishments. Individuals wearing silver cords are receiving degree honors (Summa Cum Laude, Magna Cum Laude, Cum Laude, or Distinction). Black and gold cords signify membership in Chi Alpha Sigma. Blue and white cords denote membership in Omicron Delta Kappa. Purple and white cords indicate membership in Sigma Theta Tau. Pink and blue cords show membership in Phi Beta Kappa. Members of Sigma Tau Delta and Pi Gamma Mu wear lapel pins unique to those honor societies. Student-athletes wear white stoles. Kente cloth stoles are worn to recognize the academic and cultural achievements of graduating Black and African-American students. Pride stoles are worn to recognize the academic accomplishments and identities of LGBTQA+ students and allies. Graduates wearing green ribbons have signed the Green Pledge and individuals carrying candles are members of the Candle Club.

The Blue and Silver Line of the Alumni Association of Wilson College is led by Marian Stevenson, Class of 1974.

Participation in the graduation ceremony should not be construed as an official indication that a student has met all the degree requirements and has been formally graduated from Wilson College. Candidates for graduation include all students who have or will complete requirements during the 2023-24 academic year.

HOODS

Hoods are the most distinctive feature of the American Inter-Collegiate Code. They vary in length according to the type of degree held and are lined with the official colors of the institution conferring the degree. The linings of Wilson College hoods are blue and silver. The distinctive colors on the two-inch velvet trim for bachelor's degrees, and three-inch velvet trim for master's degrees indicate the academic field.

MACE

An academic custom that originated in the 16th century is part of today's commencement ceremony. Although not as ornate as the first royal mace presented by Queen Elizabeth I of England to Oxford University in 1589, Wilson's cast-silver mace bears the official seal of the College.

ALMA MATER

'Mid a group of pines and maples,
Near a gently flowing stream,
Rests our lovely college campus,
What a peaceful spot it seems!
In the beauty of the morning,
There's a sweetness unsurpassed;
When the twilight shadows deepen,
There's a peace until the last.

Wilson how we love to hear it,
More and more throughout the years;
'Tis a balm for ev'ry sorrow,
It will banish all our tears,
To her dear departed daughters,
'Tis a magic as of yore,
And within our mem'ries glowing,
It will dwell forever more.

For there is no place like Wilson
Though we search o'er land and sea;
She is small but she is mighty
And she's wonderful to me,
For her name is Alma Mater,
And we'll ever stand as one,
Firmly pledged to love and honor,
Till the sands of life are run.
