

The Wilson College M.Ed. program offers many advantages for students looking to complete their degree.

Blended (Hybrid) Structure

Half the classes in each course are offered online, resulting in dramatically reduced travel.

Easy Entry

There is no specific sequence of courses. Schedule courses as your schedule permits and graduate in 18, 24 or 36 months.

No Fees

Districts generally reimburse course tuition but not fees. Many colleges charge fees for each course. Wilson has no course fees.

Competitive Tuition

Tuition is among the lowest in the region and payment can be deferred until 30 days from the end of each course. (\$25 extra to defer payment).

Classes in Multiple Locations

Cohorts have been established in multiple counties across Pennsylvania and Maryland, with more starting each semester. We can start a cohort in your district (minimum of eight students).

Course Accommodations

We can transfer up to two graduate courses and make accommodations in other ways. Special-subject teachers (art, P.E.) are welcome.

Learn More

Wilson College is an independent liberal arts institution founded in 1869. Wilson is dedicated to preparing women and men for successful careers through undergraduate, graduate and adult degree programs. Guided by the Honor Principle and distinguished by a commitment to transformative student growth, Wilson College prepares all of its graduates for fulfilling lives and professions, ethical leadership and humane stewardship of our communities and our world.

WILSON COLLEGE

Master of EDUCATION

For elementary and secondary educators

AN INDIVIDUAL EDUCATION

The Master of Education degree is designed for teaching professionals and is applicable to both elementary and secondary teachers.

The program is based on the premise that successful teachers will need in-depth knowledge of pedagogy, a mastery of current theory and an understanding of research-based practices and technology to move from being good teachers to becoming great teachers.

The main focus of the Wilson program is to hone teaching skills through research and classroom practices, thereby fostering teaching excellence and teacher leadership.

COURSE OFFERINGS

M.Ed. candidates will plan their courses of study with their academic adviser (evening classes in the fall and spring semesters, day/evening classes in the summer sessions).

Master's-Level Courses (8 required)

- EDU 531: Contemporary Issues in Education
- EDU 532: Education Perspectives in a Diverse Society
- EDU 533: Differentiated Instruction
- EDU 548: Reading in the Content Areas
- EDU 551: Inclusive Education for Students with Special Needs
- EDU 552: Best Practices and Effective Teaching
- EDU 553: Technology Integration for the Classroom
- EDU 554: Formal and Informal Classroom Assessment

Optional Course

- EDU 535: Standards Aligned Systems (SAS)
- (May replace one of the required Master's-Level courses where applicable, and as approved by the M.Ed. Program Director)*

Completion-Level Course (2 required)

- EDU 598: Educational Research and Design (Fall)
- EDU 599: Master's Project on Action Research (Spring)

GRADUATION REQUIREMENTS

The successful M.Ed. candidate will complete 10 courses, including a Master's Action Research Project, while maintaining a cumulative grade-point average of 3.0 or higher. Graduate course credit will be awarded only for earned grades of "C" or better. An electronic portfolio of course materials is also required at the completion of the M.Ed. program.

PROGRAM ADMISSION

Students must submit all application credentials to be considered for the program. Students may enroll in an initial M.Ed. course before being accepted into the program, but to be formally admitted to the M.Ed. program, they must submit their completed application materials before finishing the course.

- **Application and Essays**
 - » Complete M.Ed. application with essay responses at www.wilson.edu/medapply.
- **Resume**
- **Praxis Scores (copies are accepted)**
- **Official transcripts from all undergraduate and graduate colleges and universities attended.**
 - » E-transcripts are accepted
- **Copy of teaching certificate if certified**
- **Two letters of recommendation (specifically for entry into Wilson's M.Ed. program) from educators or employers**
 - » Please note, one letter should be from your current principal or supervisor.

Documents may be mailed, emailed or faxed to:

Wilson College
Office of Admissions
