Everyone benefits from the Wilson Fund

As members of the Wilson Community, we are **UNITED** in the goal to provide an education to our students to prepare them for today's global society. We all play a part in ensuring that recruitment, retention and graduation occur with our students.

The **Wilson Fund** is vital to achieving this **GOAL**. The unrestricted operating support it provides allows us to recruit and retain faculty and staff members, make campus and program enhancements, and offer an affordable education to Wilson's students.

Thank you for showing your LOVE to Wilson and our students.
