

ACT 48 Reporting Form

Name _____

Prof. Personnel ID (required) _____
(available from PDE)

Address _____

Daytime Telephone _____

Email Address _____

The following course(s) qualify for Act 48 requirements:

Course Number	Course Title	Year/Semester

Courses being used to complete undergraduate degree requirements, or internship or Instructional I certificates do not count toward Act 48 credit. Courses taken to complete a second certification may count toward completing Act 48 credits in the first certification if they fit the content area of that certification. Wilson College reports only courses completed for credit at the college. Students must have a grade of "C" or better in the course for it to be reported as meeting Act 48 requirements.

I understand the above stipulations and that the college only reports the requested credit to the state; determining if this course credit actually satisfies Act 48 requirements is not the college's responsibility.

Signature _____

Please return completed form to:
