

Wilson College Child Care Center

Parent Handbook Acknowledgement Statement

In accordance with our state licensing agency the Office of Child Development and Early Learning (OCDEL) all families must receive a copy of our parent handbook and we are required to have a form stating you have received a copy. Please read and place your signature and date below.

This statement acknowledges that I:

- have received a copy of the Wilson College Child Care Center Parent Handbook.
- have read the handbook and understand its contents.
- understand that it is my responsibility to comply with these policies.
- understand that the policies stated therein are guidelines that may and can be modified by the director if necessary.

This form along with other registration information must be returned to the Center prior to your child's first day of attendance and when receiving a new, updated Parent Handbook.
