WILSON RISES

Reunion 2019 | May 30-June 2

WILSON
COLLEGE

The Alumnae Association graciously gave their space for Reunion 2019 materials in the next *Wilson Magazine* to allow the College to promote activities in celebration of Wilson's Sesquicentennial. Here is your Reunion 2019 schedule and registration information.

Dear fellow Wilson alums,

I write this letter as so many are dealing with extremely cold weather, and yet my focus is on late spring, when Wilson College will welcome her alumnae and alumni back to campus for a Reunion Weekend. We will celebrate the graduating classes from years ending in 4 and 9, as well as be a part of the celebration of the 150th anniversary of the founding of the College—its Sesquicentennial. It will be a special time on campus, and I hope you can join us in Chambersburg May 31-June 2. There is an early bird discount if you register prior to April 5. In the following pages, you will find information about the planned activities as well as our slate of officers.

As many of you know, Reunion Weekend is the time of the Alumnae Association's annual meeting. If you are planning to attend the meeting, you can cast your ballot there, but everyone is invited to vote in advance, either by mail or online. Please note you may also find this information and any updates at www.wilson.edu/reunion.

I'm delighted to share we will be honoring Leslie Lawrence Durgin '69 with the Distinguished Alumnae Award, Ruth (Meg) Oldman '08 with the Distinguished Young Alumnae Award, Barbara Kostyak '96 with the Distinguished Adult Degree Program Alumnae Award, and Lisbeth Sheppard Luka '69 with the Tift Award. If you are on campus, I'm sure you will want to join us at the ceremony to honor these accomplished and dedicated Wilson graduates. We will also recognize the late John McDermott with the Faculty Award and student Daniel O'Keefe '21 with the AAWC Legacy Award (he is the son of Christi Wilkins '84).

There will be a special opportunity over Reunion for you to share your "Wilson story." The Hankey Center is collecting stories of women and men who have attended Wilson over the years, and has developed some "prompts" to help you focus and get started. Watch for future details on scheduling an appointment to share your story, or plan to write up your thoughts and submit them before or after Reunion Weekend.

We have many people on campus working hard to create a Reunion Weekend experience that will delight you all, but we need the support of the individual class officers and correspondents to fully engage and welcome everyone back to Wilson. They are a critical link between the work done at the College and effective outreach to the members of their individual classes. I thank them for all of their time and hard work.

Reunion is a big event for us all. There will be significant events in connection with the Sesquicentennial on campus, but we are also planning events and opportunities for those who cannot travel to Chambersburg. Some of those events are mentioned in the latest issue of *Wilson Magazine* and we'll let you know about others as plans are finalized.

One hundred fifty years is a very long time—the world is a substantially different place today than it was when Wilson was founded. Many institutions don't make it to this milestone, so now is also a good time to remember, with gratitude, the Wilson alums who stepped up 40 years ago to keep Wilson open and thus, enable us now to celebrate this achievement.

I hope I can welcome you back to campus in May. Have a safe and happy summer!
